Combining Grades At Shawsheen To Be Studied

The school committee Tuesday night gave tentative approval to a staff of 116 elementary teachers for September — 4.5 fewer than last September — based on estimated enrollments for the coming school year.

One major change that could set a precedent is a tentative combination grade at Shawsheen School. The committee will have a closer look at Shawsheen's staffing pattern later this month or next, when Principal Isabel Dobbie will explain plans for a combined second and third grade room.

Miss Dobbie recommended the move after it appeared there would be too many pupils for one second grade and not enough for two; and too many pupils for two third grades, but not enough for three.

The school committee will also re-examine the system-wide staffing patterns after school starts in September.

Supt. Kenneth R. Seifert called the combination grade "a small step toward multi-age grouping," and said he looks at it as a "positive situation," while School Chairman David Ahouse said it had become obvious to him over the years that "this sort of thing will have to happen."

Assistant Supt. Charles Mitsakos added that since Shawsheen pupils are in AIRS and IMS (the individualized reading and math course), many are already working at various grade levels within the same

room.

In other personnel action Tuesday night, the committee accepted the resignations of Maureen Gerstenberger, media teacher aide at West Elementary; Luis Gonzalez, special needs instructional aide at Bancroft; Gail McMeekin, school adjustment counselor and Charlene Perron, high school math teacher.

The committee also approved the position of Outing Club advisor at West Jr. High, and Seifert said he assumed this would be the first of a number of such requests," considering local interest in outdoor activities.

Appointed for the four-week summer session were: Pre-kindergarten, Ruth Stebbins, \$1023.50; AIRS, Kathy Costello, \$1122.60; Gene Rapisardi, \$723.50 and Candy Borello, \$663.50; IMS, Richard Loschi, \$860.10; Mary Jane Divino, \$592.10; Ann Kelley, \$639.50; Maureen Pellerin, \$811.30 and Sheila Zeder, \$836.70.

Traditional, Claire Nicolosi, \$942.70 and Frank Rapisardi, \$811.30; Enrichment, Scharline Howell, \$777.70; Maureen Mangiaglia, \$1152.90; Maurice Ferris, \$1104.; Charles Friel, \$881.80; Betty Anne Coyle (3 weeks) \$661.35; James Doherty, \$781.50; Sally Wolfe, \$615.80 and Janice Baron, \$777.70.

Media, Diane Sternberg, \$921.30; Aides, Ellen Bell, \$270.20; Irene Need, \$270.20, and Irene Drivas, \$211.40 and Secretary Theresa Conlon, \$203.80.

Bicentennial Committee Returns \$4,000

Norma Gammon, chairman of the town's Bicentennial committee recently presented selectmen with a check for \$4,000 which was the remainder of the funds available for the observance.

Town meeting had appropriated \$17,000 for the celebration and the committee through the sale of commemorative medallions and books, was able to underwrite the numerous activities during the Bicentennial year.

Since that time some of the funds

have been applied toward purchase of flags and a flag pole for the library.

Mrs. Gammon said that there are still some projects remaining for the committee to complete, as approved by the town, and \$800 is available.

The projects include placing of a plaque at the Stevens street, North Main street intersection, honoring the location of the Andover powder mill and also some funds to complete a historical survey of homes.

Nominating Committee To Be Named

Chairman Albert Cole of the selectmen may create a nominating committee to present candidates for appointment to town boards and committees.

The committee made up of two colleagues, would make recommendations for appointment to the few boards which remain selectmen appointments. Most positions are filled by the manager with the approval of the selectmen.

Among the appointments are an alternate to the zoning board of appeals, three persons to the Solid Waste Disposal committee and five persons to the Industrial Development Financing Authority.

The creation of the nomination

committee may be made at the session of the board scheduled for Monday at 7:30 p.m. at the water treatment plant.

Further discussion of the proposed assignment of selectmen to specific areas of government is also scheduled. Town Manager Jared S.A. Clark a week ago presented to the board a proposal to allow members of the board to be assigned to specific areas and keep the other informed.

Monday night, Selectman James Abramson, a proponent of such a procedure, said the manager's proposal was not exactly what he had in mind and asked for further discussion next week.

Bowling Green To Be Reactivated?

The bowling green in front of Sacred Heart school, now town property, was the subject of brief discussion by selectmen Monday night.

Chairman Albert Cole said he had been asked if there was any consideration of reactivating the green to its original use. The area was most popular many years ago.

Cole added that to restore the green to original condition would be costly, since it must be almost like a pool table when ready for play.

Also, Cole said, there had been some suggestion to allow the Andover Co. of Militia to use the stone building on Haverhill street as its headquarters.

Block Parties Approved

Neighborhood block parties were approved by selectmen this week as they granted permission for the closing of streets for certain hours.

On request of Mrs. Roger O'Shea, 40 Washington Ave., that street will be closed June 24 from 10 a.m. to 10 p.m.

Mrs. Steven G. Beebe, 14

Kathleen Drive was granted permission to have that street closed from 1 to 5 p.m. on Sunday, July 2, with a rain date of July 4.

Mrs. Irene Blank asked that Bradley road be closed Saturday, June 17 from 3:30 p.m. to 10 p.m. with a rain date of June 18.

Summer School Registration

Andover summer school registration will be held from 3:30 to 5 p.m. today at West elementary school cafeteria. There will be

academic, enrichment, traditional, and tutorial classes offered. A single tuition fee covers all courses.

Cause For Celebration

The Driscoll family of Morton street have cause for celebration with five of the six children graduating this year on their parents 25th wed-

ding anniversary. Back row, from left, Timothy, Cyd, Mary Colleen, and Richard. In front, Sara and Mr. and Mrs. Thomas B. Driscoll.

There's Much To Celebrate

Mr. and Mrs. Thomas B. Driscoll observed their 25th anniversary last month, but they had a whole lot more than that to celebrate.

Five of the six Driscoll offspring are graduating this spring from schools from Villanova University to Andover East Junior High.

Timothy Daniel Driscoll received his bachelor's degree in political science from Villanova on May 8, while Mary Coleen received a bachelor's in English education from Plymouth State College and Cyd Elizabeth, an associate's degree in elementary education from Mount Saint Mary's College. Sara Jane is graduating from East Jr. High.

Richard Arthur Driscoll a recent graduate of Andover High, plans to attend Villanova in the fall. Meanwhile, older sister Katherine Anne, a graduate of Andover High, 1972, is living in Quantico, Va., with her husband, John J. Genova, who received his first lieutenant bars in the U.S. Marine Corps June 6. Both are graduates of Plymouth State College.

A 1974 graduate of Andover High, Timothy Driscoll also obtained four areas of concentration at Villanova: public administration, pre-graduate school, employment-orientation and "The City." He spent the fall semester of his senior year on a work-study program in Washington, D.C., interning in the office of Congressman Paul Tsongas. He had spent the Summer of 1975 in Siena, Italy, studying language, history and literature.

Timothy was a member of Delta Tau Delta social fraternity, Phi Alpha Theta national history honor society and Pi

Sigma Alpha political science honor society, and president of the Blue Key Society.

A 1974 graduate of Andover High, Mary Coleen was a member of Tau Omega Sorority at Plymouth State. She taught last semester at Plymouth Area High School.

A graduate of Andover High, 1975, Cyd Elizabeth worked with emotionally disturbed, learning disabled and trainable mentally retarded adolescents while at Mount Saint Mary. She'll be student teaching in a fourth grade in West Roxbury this fall, while working toward her B.A. in elementary education at Emmanuel College in Boston. She'll be specializing in special education.

At East Jr. High, Sara was a member of the gymnastics team for three years, the girl's track team for two, and cheerleader for three. She was active on the Student Council all three years, and was president this past year.

She will be attending Andover High in the fall.

The elder Driscolls were married May 25, 1953, at St. Augustine's Church in Lawrence by the Rev. John A. Daly, O.S.A. Mr. Driscoll is treasurer of Fay & Driscoll, Inc.

Providing Answers

Owen Smith, project manager of the Answers program at Memorial Hall library, provides information on area programs for Mrs. John Abernathy and children Leigh and Ryan.

Library Has Answers

When Memorial Hall Library receives an inquiry about child care in the community or how a person can find out when they will receive their state tax return, they transfer it to Answers. the separate telephone line (470-1184) is federally funded through the Massachusetts Board of Library Commissioners and was established to provide a central place for community information.

The project manager, Owen Smith has visited over 60 human service agencies in Greater Lawrence and has information on more than 300 groups and organizations in the area. There are 13 subject areas which include: government, education, religious organizations, housing, work, clubs and organizations, health, mental health, children's services, aging and other information and referral services.

Over the last few years, libraries have been receiving an increasing number of calls about local services and activities. Answers was established to meet that need and to reach nonreaders as well as regular library users. Libraries are the

logical choice for community information because Information and Referral is a natural extension of library reference service.

Because Answers received many calls about child care services in the area, a booklet was developed to help parents select the most appropriate facility for their child. The booklet lists 31 day care centers and nursery schools in Greater Lawrence and includes the number of children, the number of staff, hours and basic educational philosophy. Free copies are available at the library. Brochures on other community services will be developed as the demands indicate.

Whenever curious, have a question, or can't remember an organization's name, the library should be the first place to call. It could be anything from the name of the director of Family Services or the president of the League of Women Voters to how to hire a clown or where to take belly dancing. It's good to know questions now have Answers.

Andover High Notebook

By Renee Pruneau

The A.H.S. Drama Club has elected new officers for the 78-79 school year. Next year's club will have a tough act to follow. This year, thanks to the support of many hard workers, the club successfully accomplished the production of the spring play, 'Dr. Gorilla,' and a new innovation, which we hope will be continued, 'The Golden Warrior's Minstrel Show.'

Members also headed the drive for the new and much needed auditorium and/or fine arts center which will be added to the high school (hopefully). This has been one of the most active years in the club's history, and next year promises to be just as busy.

The new officers include: Jill Normandy, president; Pat Canavan, vice-president; Patty O'Conner, treasurer; Janet Leonard, secretary; Dave Shrestinian, business manager; Linda Syiek,

director of special programs.

The A.F.S. club has been very busy at a time when most clubs have stopped meeting. The club has said its goodbyes to Magarita Salazar, a foreign exchange student from Colombia. Throughout the year she has become very close to many of the members and has shared in the experiences and activities of the high school. During May three students visited Southington Conn. for a short term exchange. They found their time there both informative and enjoyable. The Southington students had visited Andover in April.

New officers were recently elected. They will serve for next year and help to make our two new A.F.S. students just as comfortable as this year's officers did. They are: Paige Whitley, president; Linda Syiek, vice-president; Katy Gannon, secretary-treasurer.

Pupils Present 'Wizard'

The third and fourth grades of the Shawsheen School performed an adaptation of "Wizard of Oz" recently, in front of their parents and the other classes in the school.

The play evolved from a unit on oral communication skills. The entire production was staged by the children with the assistance of teachers Barbara Bunn, Bette Ann Coyle, Maureen Defeo, Susan Infantine and Diane Sternberg. Groups of children worked on scenery, props, make-up, wardrobe, chorus and acting.

A special performance was held on June 9 for the elderly citizens of the Andover Haven. The following children participated in this production:

Grade 3 — William Andrews, Shauna Barry, Sandra Bolton, James Carew, Jane Comeau, Michael Cox, David Dickinson, Shawna Gallagher, Jamie Glaeson, Carlos Gonzales, Jennifer Gosselin, Tracy Hatch, Edward Higginbottom, Amy Hoff-

man, Rebecca Howard, Casimer Kolaski, James Lanouette, Jane Leech, Susan Leech, Matthew McKinnon, Kyle Marcella, Michael Moriarty, Judith Murphy, Daniel O'Brien, Todd Patti, Kelly Ross, Kristen Salvi, Alan Sillars, Heather Sloat, Penny Starks, Shaun Sutcliffe, William Webber, Michael Winters.

E. J. H. Happenings

By Lori Pinkney

East Junior High Model Rocketry Class members have been actively working all year building rockets and learning about rocket technology. Each Wednesday rockets are tested and analyzed as to their performance. A control panel is used with a capability of launching six rockets at one time. Rockets have reached altitudes of between 200 to over 1000 feet. Advisor of this popular activity at East is Robert Bachmann of the Science Department.

The Andover East Junior High eighth grade baseball team experienced a highly successful season finishing on top of the Middlesex Junior High League with an 11-1 record. Many East baseball records were broken by this outstanding team. Carmen Scarpa had an unbelievable 19 RBI's. Jason Powell had a team high .464 batting average. Jon Pelletier pitched five of the wins and had 50 strikeouts. John Ingemi stole 12 bases.

The wins were a total team effort with a team batting average of .342 and fielding percentage of .916 led East to the championship. The following were members of the team: Bill Caseldon, Albie Cullen, Tim Derby, Geoff Edmonds, Tom Fabiani, Dave Factor, Jeff Fleming, Mike Flynn, Tim Grams, John Ingemi, Dale Lattanzio, Ted MacDonald, Jon Pelletier, Jason Powell, Carmen Scarpa, Ken Smith, Wayne Elowe, Paul Marad and Ed O'Connor.

East's team is coached by Kenneth Maglio of the Physical Education Department.

The week at East ended on a very pleasant note as students expressed their thanks to the faculty and staff. Under the auspices of the Student Council, Appreciation Day was held with corsages presented and coffee and donuts served in the teacher's rooms.

As the year draws to a close the ninth grade students are looking forward to their final social event of the year — the Ninth Grade Dinner

Dance. The theme is kept secret until that evening by the committee of eighth grade students who do all

the planning, decorating, serving and clean-up. Members of the committee this year include: Julie

Barry, Kate Seeley, Kathy Kinsella, Jennifer Looney, Jane Oskar, Gerri Brother, Sue Driscoll, Jean Kearny,

Rachel Petrella, Patty McGann, Jodi Durso, Nancy Katz, Donna Wallace, Stephanie Munro, Pam

Hager, Pam Finn, Amy Starensier, Lisa Stratton, Robin Brooks, Tim Derby, Brian Moriarty, Geoff Reichert, Hugh Meier, Steve Edwards, Wayne Elowe, John Levesque, Tom Fabiani, Jim King, Mike Flynn, Craig Hyslip.

Honorary Awards To Garden Club

The Andover Garden Club was awarded three honorary awards at the annual meeting of the Garden Club Federation of Massachusetts held at the Chateau de Ville in Randolph. The Club received special recognition for distinguished service in the following areas. The Civic Projects — Municipal Gardens Award IIB was awarded for the Club's Bicentennial garden located at School and Central Streets.

During the 1975-76 year one of the Clubs goals was "to provide the town with a significant planting in commemoration of the bicentennial year." This certificate of merit is given for permanent improvement for the public benefit.

A Danger

Massive forest clearing in Central and South America could have disastrous effects on agriculture in the U. S. Midwest, Massachusetts Audubon states. Many of the insect-eating birds that help control pests in the U. S. spend the winter in areas where forests are being cut.

Concert Tour

On Friday, May 26, Gunther Schuller and the New England Conservatory Ragtime Ensemble left Boston to undertake a four-week concert tour of the U.S.S.R.

Under the aegis of the Cultural Presentations Division of the U.S. Department of State, the Ensemble will give nineteen concerts throughout the Soviet Union, performing in Donetsk, Odessa, Tbilisi, Tashkent, Novosibirsk, and Moscow.

The Ragtime Ensemble was founded by Mr. Schuller in 1972, originally to perform the music of Scott Joplin, whose Red Back Book of orchestral arrangements has been unearthed by Joplin historian Vera Brodsky of Lawrence. Since then, their repertoire has been expanded to include the music of other early composers, such as Eubie Blake, James Scott, Tom Turpin, and Jelly Roll Morton. The Ensemble's Grammy Award-winning album "Scott Joplin: The Red Back Book" sparked the revival of ragtime music, which has continued to the present time.

Honored

Mrs. Jan Sagaser was honored by Andover Girl Scouts Tuesday night for her years of service. Mrs. Sagaser was presented a shrub as a living gift and is shown with scout leaders Mrs. William Brown, Mrs. Raymond Pageau and Mrs. Michael Hughes.

Scouts Honor Leader

Mrs. Jan Sagaser, a Girl Scout leader in Andover retiring after 22 years of service, was honored on Tuesday by her troop at a special evening of recognition and thanks at Fellowship Hall, South Church.

The 19 members of Troop 73, Doherty School, planned the meeting as a year-end badge ceremony under Mrs. Sagaser's guidance; meanwhile, however, the girls and their troop co-leaders made parallel preparations for the surprise program honoring Mrs. Sagaser.

The meeting opened with the presentation of badges earned by troop members during the 1977-78 school year. The traditional candle ceremony followed, during which each girl lit a candle, recited one verse of the Girl Scout law, and then illustrated its meaning by recalling an incident from her scouting years with Mrs. Sagaser. The troop then sang and

demonstrated the use of lemi sticks, a specialty of Mrs. Sagaser's, and delivered an original rendition of "On the First Day of Camporee" retelling the many good times of the troop's camporee outings.

Mrs. Marilyn Burns, a former troop co-leader, next paid tribute to Mrs. Sagaser on behalf of herself and the 10 other former co-leaders and assistant leaders also attending.

The troop then presented Mrs. Sagaser with the troop photograph album and an ornamental shrub for her garden, chosen to represent a living memory of the gratitude felt by all — old and young — who have known Mrs. Sagaser in scouting.

The meeting ended with a closing circle

and "The Linger Song," dedicated to Mrs. Sagaser.

Other Troop 73 leaders during the year were Mrs. Pat Brown, Mrs. Vivian Pageau, and Mrs. Peg Hughes; Mrs. Ann Merrill and Mrs. Marcia Johnson also assisted with planning the evening of recognition for Mrs. Sagaser.

Class Of '78 'Weathers' Commencement

Comedian Jay Leno, AHS '68

Andover High's Class of '78 won the annual pre-graduation toss with the weatherman last Wednesday night, and had collected their diplomas and set out for post-ceremony celebrations before the first raindrops fell.

Featured speaker Jay Leno, the comedian who graduated from Andover High just 10 years ago himself, urged the graduates to set values for themselves, and credited the late Sandra Hawkes, an English teacher, for helping turn his energies in a constructive direction.

Leno said his parents were particularly glad to greet Principal Philip Wormwood this time around. "It's the first time they've met him," he quipped, "that they haven't had to apologize."

Outgoing Senior President Daniel Edelman had some challenges for those who are left behind. He said the rules at the high school are too strict, and that the majority of the students are suffering because of a few who cause trouble.

Isn't it ironic, he asked, that in a few months the graduates will be out on their own in college or in jobs, when only a couple of weeks ago they had to have written passes to walk through the halls during class.

He asked the administration to allow the students more control over themselves.

Emily Kearns, who spent most of the year in Malaysia as an American Field Service student, told in her essay how the experience helped her grow as a person, and Margarita Salazar, the AFS student from Colombia, presented Wormwood with a miniature flag of her country. Wormwood noted that the addition of Colombia brings the collection of flags from former exchange students to 20.

Tony Pace, representing Andover ABC (A Better Chance), thanked the community for allowing the ABC students into

"your school, your homes and your hearts."

And then, after the scholarship awards were announced, came the presentation of the diplomas themselves, and the graduates filed off of Eugene Lovely Field for the last time.

Scholarships awards announced Wednesday night include:

- Susan Cohen and Raymond Kelly, Hinchcliffe Scholarship, \$450 each.
- Draper, Bell, Chapin and Gutterson Scholarship, to Suzanne Martin, \$450.
- Fred W. Doyle Scholarship, to Stephen J. Hanlon, \$750.
- Andover Servicemen's Fund Scholarship to: Russell Glines, Brian Bresnahan, Maureen Smith, Julie Lavin, Lauren Prins, Leslie Obermeier, Robert Zwicker, \$200 each.
- Shawsheen Village Women's Club Scholarship, to Sandra Young and Paul Bedrosian, \$300 each.
- Andover Education Association Memorial Scholarship in Memory of Mervin E. Stevens, to David Farrell, \$200.
- Andover Education Association memorial Scholarship in memory of Mary E.G. Burke, to Kathleen Byrne, \$200.
- Andover Education Association Memorial Scholarship, in memory of Bernard J. Kellmurray, to Susan Danforth.
- Nathan C. Hamblin Memorial Scholarship Award, to Audrey Saab, \$300.
- Andover Council of the Knights of Columbus Scholarship, Paul Keefe, \$100.
- Andona Society Scholarships, to Paul Girard, Sandra Rigazio and Ellen Flynn, \$1,000 each.
- Andover Male Choir Memorial Scholarship, to Ross Winnick, \$100.
- Edward I. Erickson Scholarship, to Thomas Darby, \$150.

Council To Conduct Vacation Bible Schools

The Greater Lawrence-Council of Churches will once again be sponsoring Vacation Bible Schools for children in the Greater Lawrence area. For children in the Andover area, there will be Vacation Bible School at West Parish Congregational Church, on July 5-14. For children in North Andover there will be a one-week program from July 31 to Aug. 4 at the Trinitarian Congregational Church. Both programs will run 9 a.m. to 12 noon daily. In addition to these sites there will be programs sponsored for the Spanish-speaking peoples of Lawrence, Methuen, South Lawrence, Prospect Hill and Lawrence Commons areas.

This is the fourth year that the Council has sponsored Vacation Bible School for the Greater Lawrence area. The program is very ecumenical in that the sponsors are striving to bring together Protestants, Roman Catholics and Orthodox Catholics.

This year's curriculum was carefully selected and is produced by the combined efforts of eleven denominations. Its theme is "God, Me and Where I Live." Each program will combine teaching with arts and crafts, recreation, worship, singing and refreshments. There is no charge to individuals. This program is for children entering Kindergarten through 6th grade. There will also be a "Family Fellowship Evening" connected with each site to promote the community aspect of the program.

It should also be noted that a special pilot project of the Vacation Bible School program is being sponsored this year for Mentally Retarded persons, age 10 to adult. This project will take place August 21-25 at the Forest Street Congregational church in Methuen. For more information, contact Jeffry Palmer, Director, Andover (475-3528), or Rev. Priscilla Schumm, North Andover (682-3387).

Christian Scientists Hold Annual Meeting

Christian Scientists were told at their 83rd annual meeting to put aside "busywork, organizational mechanics, and zeal for media exposure."

"The need today," said The Christian Science Board of Directors, in its message to the denomination's global membership, "is for more healing, more spirituality, meekness, humility."

In a strongly-worded statement, the directors warned against "powerful mental cross-currents at work against religion and against moral code inculcated by Christianity."

"It's obvious that the present period is marked by a conspicuous lack of stability — in our homes, schools, and institutions, our commercial and public life as well as in individual experience," said the directors' statement.

The directors are principal officers of The First Church of Christ, Scientist, of which Christian Science congregations around the world are branches.

The board statement was read by Chairman DeWitt John. He reminded the several thousand gathered for the meeting that in 1894 Mary Baker Eddy, the denomination's founder, counseled: "The Church, more than any other institution, at present is the cement of society, and it

should be the bulwark of civil and religious liberty."

The chairman called on twentieth century Christian Scientists to "go forward in the spiritual work which is the essence of the Church — loving one another, restoring the lost element of Christian healing, overcoming sin, and living the life of a Christian."

In their yearly review of denominational activities, other church officers noted: — a continuation of the gradual decline in membership, but also, an increase in the number of new branch churches formed during the past year (37 as compared with 22 in 1976); — an increase in individual contributions to the church (double the level of five years ago); — "significant stirrings of interest," among other Christian churches, in Christian healing, long a central aspect of Christian Science.

The directors also announced the establishment of an endowment fund for The Christian Science Monitor, to help the church's famous newspaper cope with spiralling publishing costs.

Named as the new president of The Mother Church, The First Church of Christ, Scientist Boston, was John R. Peterson, a practitioner and teacher of Christian Science and the church's general counsel.

Confirmation At Temple

Shavuot is the third of the agriculturally based festivals of the Jewish year. Following seven weeks after Pesach, this harvest festival serves again to remind the Jewish people of the closeness of our ancestors to the soil, and their dependence on nature for their livelihood. Shavuot, Pesach and Sukkot are characterized "pilgrim festivals," for on these days Jews from all sections of Palestine brought thanksgiving offerings of their harvests to the Temple in Jerusalem.

Shavuot, once having represented only the natural world, later gained a spiritual dimension: the anniversary of the giving of the Torah on Mount Sinai. It is largely the spiritual and cultural aspect of Shavuot that has imparted to the holiday its present significance. Early nineteenth century Reform Jews, seeking to give women equal status in all religious obligations, created the ceremony of Confirmation for both boys and girls on the holiday of Shavuot. Just as Moses received the Torah on Sinai according to legend, and subsequently passed it to each succeeding generation of Jews.

Confirmation Exercises were held at Temple Emanuel in Lawrence on Sunday morning, June 11, at 10:30 a.m. Members of the 10th grade who were Confirmed at this religious service were as follows:

Nancy Balin, daughter of Mr. and Mrs.

Theodore Balin; Lori Berenson, daughter of Mr. and Mrs. Sumner Berenson; Paula Caplan, daughter of Mr. and Mrs. Harry Caplan; Gwen Factor, daughter of Mr. and Mrs. Paul Factor; Jeffrey Flieder, son of Mr. and Mrs. Saul Flieder; Susan Goldberg, daughter of Mr. and Mrs. Edward Goldberg; Alison Labell, daughter of Atty. and Mrs. Joel Labell; Barry Labell, son of Mr. and Mrs. Stuart

Labell; Karen Landy, daughter of Mr. and Mrs. Harold Landy; Nancy Shack daughter of Atty. and Mrs. Norman Shack; Robert Simmons, son of Mr. and Mrs. Peter Simmons; Karen Waks, daughter of Mr. and Mrs. Leroy Waks; Robin Weiner, daughter of Mr. and Mrs. Edward Weiner.

As part of the exercises these young people participated in the festival service and also presented a special program in recognition of the 30th Anniversary of the State of Israel.

Following the service and presentation, a collation was tended in honor of the class by their parents.

The Language of Flowers

by Gerry Trull

After a while, I find myself getting a little tired of the way my living room looks. Sometimes I move the furniture around, but often that really isn't what is needed. I have found the easiest way to brighten up and really add to the appearance of a room that needs a little life is to bring in some flowers. They add color, softness, and often, a nice aroma to the room. If matched well with the furniture and other decorations, they can give new life and brightness to everything in a room. You would be surprised at how much effect a bouquet of live flowers can have on a room.

You'll find an exquisite array of fresh flowers to choose from at TRULL'S MILL HILL FLOWER CENTER, 411 River Rd., 851-6161, and our arrangements are created to suit your taste and budget. We also feature an outstanding selection of dried and silk flowers if you prefer a more permanent arrangement. Hours: 9-5:30 Mon-Sat.

Carter's U.S.S.R Tactics Were Planned, Not Bad Luck

WASHINGTON -- The Carter administration's stern warnings to the Soviet Union have in fact been part of a carefully calculated campaign. This is our conclusion after reading secret White House memos and minutes of Cabinet meetings.

The strategy was set last year by the National Security Council. The council secretly advised President Carter that he could be tough with the Soviets and get away with it. This would not jeopardize normal relations, he was told.

The advice was contained in Presidential Review Memorandum No. 28, intended for the president's eyes. According to the memo, Soviet leaders are too realistic to abandon the advantages they can gain through a disarmament treaty, commercial cooperation and scientific exchange.

"The inevitable strain of a massive arms race, the need to take increasing consumer demands into account and the potential for unrest in Eastern Europe," states the memorandum, "mean the Soviet Union cannot easily pull away from negotiations, technological transfer agreements or commercial credit agreements."

The White House document notes that the Soviets have continued to cooperate with U.S. diplomats and businessmen, despite congressional trade restrictions.

As early as Feb. 27,

according to the confidential minutes, national security adviser Zbigniew Brzezinski reported to the Cabinet that Soviet-American relations were deteriorating. President Carter acknowledged, according to the confidential minutes, that "the relationship is not as good as it should be."

Secretary of State Cyrus Vance flew to Moscow in April. The president gave him secret instructions on April 10 "to avoid a merely technical discussion" and to impress upon the Soviets that their actions in Africa are "endangering" friendly relations.

LAX LABS: Any Perry Mason fan knows that the findings of a crime laboratory can dramatically affect the outcome of a trial. Apparently, this happens in real courtrooms, too. Juries tend to trust lab tests.

The truth is, many crime labs are incompetent. The tests they submit to the courts may have sent a lot of innocent people to jail.

In many crime labs, according to insiders, the technicians don't even know how to use a microscope. One expert told us that at least half of the nation's crime labs are no good.

The Forensic Sciences Foundation recently concluded a three-year study of crime labs. America's 250 labs were given 21 uniform samples to analyze. They responded voluntarily and anonymously.

Shockingly, over 71 percent of the responding labs could not identify blood stains acceptably. Their findings were either inconclusive or incorrect.

In a second test, over half of the labs couldn't tell a zinc-laden paint sample from one that was nearly zinc-free. In a third test, two crime labs positively identified a saliva stain as a vaginal secretion.

Some lab technicians will caution a jury that their findings are limited, but others wrongly bask in an aura of infallibility. One insider told us gravely: "I can't say how many people have been unjustly convicted because of flawed lab results, but I'm sure there have been some."

The Law Enforcement Assistance Administration has admitted "inadequate training, lack of experience or carelessness has led to many lab errors." Yet the agency hasn't even established minimum standards for crime lab certification.

The acting director, Blair Ewing, conceded that lab certification "might not be a bad idea." Meanwhile, much lab work is reliable. But juries can never be sure when it is faulty.

PENTAGON PIPE-LINE: Despite the current chill between the United States and the Soviet Union, the Pentagon's in-house travel agency has arranged a cruise for Defense Department employees aboard the Russian

ship Odessa. According to the advertisements, the pleasure seekers can leave from Baltimore on a seven-day pleasure cruise to Bermuda. The Soviet vessel has all the latest facilities, including a nightclub with Russian entertainment and a no-tipping policy for the budget-conscious bureaucrats.

The Army is currently suffering a critical shortage of chaplains from the Jewish, Catholic, Eastern Orthodox, and some Protestant faiths. But the Army has a so-called "up-or-out" promotion policy, and the brass hats are automatically firing chaplains who haven't been chosen for promotion to a higher rank. Twenty Pennsylvania congressmen recently wrote to the president to find out what he plans to do about the problem.

The Defense Department's National Security Agency apparently doesn't want its staffers doing any unauthorized talking on Capitol Hill. Agency official James Boone has sent his underlings a scathing memo on the subject. It warns that "there is to be no business interaction with legislative committee members or staff members" outside of the established, routine channels. The memo also cautioned that wrongdoers would get no second chances and would lose their jobs "at the very least."

The ANDOVER TOWNSMAN

The Second Front Page

JUNE 15, 1978

Check Heather Drive Status

Determination of whether Heather Drive is a private or public way and what is causing a large depression in the road will be checked by the town.

Residents of the street and abutting section of Highland Road appeared before selectmen Monday night expressing concern over the large pothole and also claiming they failed to receive answers from the town when the matter was presented a few weeks ago to the manager's office.

Public Works Director Robert E. McQuade told the group that the town engineer had been sent to the area to determine if the road was a private way

and it was determined that it was. As such the town could not do anything according to town policy, noting that many private streets in Andover have similar problems.

When residents said that the hole had been filled that afternoon about 2 o'clock, McQuade said that he was aware of it and would check to see who authorized the work.

McQuade also agreed with residents that the hole required more than just fill. There is a possibility that an old stone drain may be under the roadway which would require excavation, McQuade said.

The problem is believed to be created by runoff water from Highland Road, which

is a town thoroughfare.

Raymond S. LaRosa of Heather Drive, questioned McQuade about the hydrant at the end of the street, as well as asking selectmen to insure that residents get response from the town officials sooner than was the case in this complaint.

McQuade said it was the first he had heard of any problems with the hydrant, but would look into it.

As for the overall problem, selectmen decided to make a thorough determination as to whether or not Heather Drive is a private or public way and ask town counsel what steps can be taken to resolve the situation.

Coleman Request Rejected

Donald T. Coleman of High street appeared before selectmen Monday night critical of their actions in allowing the town manager to seek proposals for a revaluation of the town.

Coleman said he felt that the action had violated the edict of town meeting which has turned down proposals to have the town revalued three successive town meetings.

Chairman Albert Cole explained that the board had authorized the manager to get as much information as possible on revaluation in the face of a court order mandated an equalization program.

At the board's last regular meeting, Town Manager Jared S. A. Clark and Town Counsel Alfred S. Daniels reviewed the status of the court order for the selectmen. At that time it was indicated that while imposition of the court order may be some time off, preparations were still in order.

Clark said at the time that he was hopeful of retaining the town's option to have the work done by Andover and not the state, should the court order be imposed.

He was then authorized to seek proposals, which he said may not be forthcoming if firms are aware that the money was not as yet appropriated.

Coleman, Monday night asked selectmen to reconsider their prior vote, but the board took no action.

Andover Man Slain

Funeral services were to be held this morning for a 36-year-old Andover man found strangled in Boston's North End.

James W. Sheard, 36, 3 Elm Court, was found wrapped in plastic and locked in a metal cabinet and hidden since March 5, according to Boston police.

Held in the murder of the Andover man are Waino R. Snellman, 31, and Louis

Puoppolo, 47, both of 196 Endicott St., Boston.

One of the men reported the body being in the cabinet to the police on Monday. Sheard had been reported as missing on March 5.

Mr. Sheard was born in Lawrence, attended Bentley College, Merrimack College and served in the United States Coast Guard. He was a member of the An-

dover Democratic Town Committee, the American Institute of Banking and attended St. Augustine's church, Andover.

He is survived by his mother, Mrs. Elizabeth S. Sheard of Andover, a sister, Geraldine C., wife of Robert J. Taylor of Chelmsford, a niece and a nephew.

A funeral Mass was offered Thursday at 10 a.m. in St. Augustine's church. Burial was in St. Augustine's cemetery.

Former Athlete Fatally Stabbed

Michael P. Corry, 30, 111 Emerson St., Haverhill, a former Andover High track star, was fatally stabbed Monday night and a Haverhill woman held on charges of manslaughter.

Patricia A. Dobbins, 23, 74 Pecker St., Haverhill, was charged with the stabbing by Haverhill police which apparently was the result of a disturbance at the Haverhill address.

Police reported that Miss Dobbins, who was a friend of Corry, was babysitting for a couple at the Pecker street home when Corry arrived.

An argument took place, plant was knocked over, and Corry was asked to leave by the owner of the apartment.

Miss Dobbins later left the apartment with a fishing knife which she has been using in the afternoon and was apparently surprised by Corry in the hall. Police said Miss Dobbins told them that Corry had struck her, knocking out three teeth.

According to District Atty. John P. S. Burke, the two went back into an apartment where Corry was stabbed. He was pronounced dead at the scene, by Medical Examiner Dr. Nathaniel Miller.

Corry is a 1966 graduate of Andover High school where he established a high jump record which stood until this year. He was Class B and New England High Jump champion.

He is survived by his parents, Robert and Alida Corry of River Street, Andover; a brother, Robert A. and two sisters, Mary Jane and Kathleen, all of Andover.

A funeral Mass will be offered today at 9 a.m. in St. Augustine's church. Burial will be in Spring Grove cemetery.

Recognition Of Effort And Accomplishment

The antics and shennanigans of some of our young people seem to constantly demand our attention, despite the fact that those responsible pretty generally fall into the minority.

Thus, at this time of year, we would like to take time to praise the majority and commend them upon their accomplishment.

During these weeks, our pages are dotted with Andover young men and women completing their collegiate careers and heading out into the professions or toward further study.

The four-year path toward a degree which seemed so far away in their freshman years, is now behind them, suddenly, and they are prepared to lend their talents to the improvement of the world in which we live, and we wish them such success.

Our congratulations go also to the Class of 1978 at Andover High school which graduated last Wednesday night and now plan for continued educational endeavor or other goals.

While on the subject of recognizing accomplishment and effort on the part of our young people, we must pay tribute to the Andover High track team on its outstanding record this season under the direction of Coaches Dick Collins and Dick Bourdelais.

While the leadership role supplied by the two coaches is an important ingredient to overall success, individual effort is what makes up a championship team.

At a recent season ending party for the track team, two members were cited for outstanding effort, Paul

Keefe and Richard Collins.

Last weekend both young men emphasized that being recipient of the award voted by their colleagues was worthy.

Keefe went on to capture the New England High jump title with a 6 foot nine leap over the crossbar, setting a new record, breaking his own mark in the process.

Collins finished second in the 200 capping a most successful indoor and outdoor track season for the Warriors.

The individual New England honors were added to the many accomplishments gained by the winter and spring track teams at Andover High this year and maintains a consistency in this regard for Warrior track teams over the years.

Finally, as the school year rapidly approaches an end, we would like to extend our appreciation to the young people who have been contributors to the Townsman during the course of the year.

Renee Pruneau at the high school, Lauren Whitley at West Junior High and Lorri Pinkney at East Junior High have provided regular columns telling of activities at their respective schools.

We have appreciated their efforts and feel confident the readers have enjoyed their weekly contributions as well.

Also, in the same category, is Jess Parks, who was our regular man-on-the scene during the successful Golden Warrior basketball season this past year, and, we anticipate, will return with his statistics board and typewriter again next season.

Down The Years With The Townsman

75 Years Ago — June, 1903

The 95th anniversary of the Andover Theological Seminary was observed this past weekend with much enthusiasm manifested by the alumni concerning the future.

At a meeting of the trustees of the Andover Savings Bank this past week, a semi-annual dividend of two per cent was voted.

The annual pianoforte recital by pupils of Edwin G. Booth, organist and choir-master at Free Christian Church will be held Sunday afternoon. Misses Alice and Charlotte Cox, violinists, of Whittier street, will assist.

Alexander Ritchie participated in the swimming race at the Lawrence celebration last week and won second place out of a large number of competitors.

R. C. Read has the contract for painting the buildings of J. W. Barnard on Barnard and Bartlet streets and has already begun the work.

50 Years Ago — June, 1928

Rev. C. Norman Bartlett, pastor of the Andover Baptist church is one of the organizers and charter members of the Phi Alpha Chi honor society recently formed at Gordon College.

Through the efforts of Selectman Frank Hardy, arrangements have been made with the Eastern Mass. Street Railway to allow passengers to be discharged from the left side of the car at Harding street.

Miss Mary Smith of the Punchard High school faculty is planning a trip to China where she plans to spend two years. She returned here two years ago after a one year stay in China.

Commencement exercises were held at the two academies with 159 graduating from Phillips and 36 receiving diplomas from Abbot.

The Colonial Food Shoppe is now equipped with a refrigerator and will sell cold meats and salads, in addition to home-baked foods.

25 Years Ago — June, 1953

At a special meeting of the school committee Monday night, it was voted to accept from the school building committee, the new Central school and West Elementary school.

George F. Snyder will be supervisor of the playground program this summer and is making plans to open the facilities to the youngsters of Andover on June 29.

Punchard High commencement will be held this year on Sunday, a new departure for the annual exercises. There will be more than 100 seniors receiving diplomas at Memorial Auditorium.

At a recent meeting of the Punchard track squad, John Cole, shot putter; Charles Simpson, middle distance runner and Ray Yancy, furlong runner and broad jumper, were elected tri-captains.

Archibald Maclaren of Lewis street has retired from his position as custodian at Memorial Hall library, after serving for 33 years.

Memorial Hall Library

Andover In Photographs

East Junior High students, with the help of their teacher Linda Marchi, have prepared a photographic display of historical points of interest in Town.

Student's research on the subject is attached to each picture. The display will remain in the Library for the summer to identify local attractions for Andover visitors.

Summer Speed Reading Courses

Two speed reading courses will be offered at Memorial Hall Library this summer. One session will meet from 10-11:30 a.m. on Tuesday and Thursday mornings starting Thursday July 6 and ending July 28. The other session will be held from 7-9 p.m. on Wednesday evenings starting July 5 and ending August 9. Further information and registration procedure may be obtained at the circulation desk. The cost is \$40.

Fire Log

The Andover Fire Department responded to the following alarms between June 6, and June 12, 1978.

June 6 — 34 Dale St., service call, leaking hot water; Lowell Jct. Rd., Cressy Dockham Co., broken sprinkler.

June 9 — Rte. 125 & 28, David Lessing, auto accident, gas wash down; 17 Hidden Rd., investigation, over loaded circuit.

Veteran Racers Returning

The Merrimack Valley Ski Club is asking the question: "Where have all our old racers gone? Long Time Passing." The answer was found through some ground work by the Executive Board headed by Bob Gerardi, president.

Since the club first sponsored the Buddy Werner League race program a total of sixteen boys and girls have exhausted their eligibility and have moved on to other athletic endeavors.

Of the 16 racers, ten have gone on to varsity programs at area high schools. And, of the ten boys and girls the following were chosen as members of their respective teams to represent their squads at the state championships. Julie Retelle has skied for Andover High School for the last two years and scored points in her school's successful bid for the State Championship.

Nancy Orlando of North Andover also scored points for her team. The others who participated in the State Championships were: Michelle Catania, Tommy Papalardo, Mike Schelling, and Richard Kistandin of Methuen High School; Barry Cunningham of the Greater Lawrence Reggies and Joyce Fragala for Saint Mary's of Lawrence; Joyce's younger sister, Justine also raced with the Saint Mary's squad and Mark Reed of Andover was a racer with the varsity squad. The following skiers as yet have not raced with a high school varsity team since their schools do not have Alpine Racing as a varsity sport, but they are all racing at a club level in hopes of having a varsity club in the near future. They are Karen Freuid, Rene Hess, Andy Staley, Mike Soussy and David Shaw.

The Merrimack Valley Ski Club wants to have a reunion for these people on June 17 at Camp Y-Wood along with all current members. A picnic has been planned and the all day affair will also include swimming, horseshoes, baseball and volleyball.

On The Soccer Field

By She Livermore

The Spring Soccer Program will wind up its activities next weekend. Several Andover teams have won their division title and will be competing in play-offs over the next week or two; good luck guys and gals! Brief results of last week's games follow:

UNDER 10

Falcons 3, Lynn YSC 3

Bill Waddington's Falcons with only eleven players on hand were forced to play defensively in the first half and Lynn scored two goals. The Falcons were more aggressive in the second half, scored three goals (John Perry and Greg Harris) which with Lynn's extra goal, resulted in a tie

Wolves 3, Saugus Pumas 1

In a game which saw goalie Jerry Buss make a beautiful save on a penalty kick awarded Saugus, the Wolves were the victors. Goals scored by Paul Hevehan and Jon Crawford. Outstanding Booters: A. J. Sullivan and Paul Lewis.

Bears 3, Lynn YSC 1

The Bears facing a strong Lynn team who are their division's leaders, played superbly and pulled off a big upset when they won the victory. Goalie Eric Sanborn made some brilliant saves, which held Lynn to one goal. Andover's goals booted in by Fran Sullivan on passes from ted McEnroe and Joe Murphy, and Tom Bride (penalty). Outstanding Booters: Richard

game. Outstanding Booters: Matt Lavin, Matt Murphy and Andy Lascher.

Ravens 7, Marblehead Spurs 1

The Ravens outclassed Marblehead and were able to score seven goals for the win (Mark Neaves, Eric McDowell and Mike Moriarty; assisting on three of the goals were Mark Neaves and Matt Corbett). Outstanding Booters: Scott Plamondon, Stephane Kirkland, Matt Corbett and Billy Andrews.

Condors 1, Swampscott Toughskins 0

The name of the game was good defensive play as both teams made many attempts to score throughout the game. The Condors eventually penetrated Swampscott's defensive line to score the winning goal (Jamie O'Brien on a pass from Jeff Smith). Outstanding Booters: defensive players Geoff Boland, Adam Smith, David Penney, Dan Grecoe and David Clark.

Pumas 1, Marblehead Headers 2

The game was all tied up until the last two minutes when Marblehead sneaked in the extra goal for the win. Andover's goal scored by Jahna Malitsky. Outstanding Booters: Susan Oskar, Kelly Ross, Marci Lebowitz and goalie Penny Starks who made some super saves.

Eagles 0, Peabody Blue Barons 4

Outclassed by an undefeated Peabody team, the Eagles played a spirited game and worked hard to minimize the loss. Goalie Tim Higgins made some great saves and halfbacks Shannon McCabe and Scott Goldman, as well as forward Chris Nelson, hustled throughout to get the ball out of Andover's goal zone.

UNDER 12

Cougars 1, Salem Diplomats 3

The Cougars were challenged by a strong Salem team who kept up the pressure throughout and eventually won the victory with the extra two goals. Andover's goal scored by Sharon French. Outstanding Booters: Rebecca Healey, Rachel Healey, Debbie Bartle and Devra Weisman.

Cheetahs 1, Marblehead Comets 5

Marblehead overwhelmed the Cheetahs who played a good game but could not thwart their determination to score goals, five in all for the win. The Cheetah's goal scored by Sara Michelle Sapuppo. Outstanding Booters: Aimee Ross, Andrea Matchett, Katrina Smith.

Naplitano and Ray Leith.

Elks 2, Beverly Scorpions 1

With the game all tied up after Jim Stelzer scored on a corner kick from John Drake, Tom Novelline made a beautiful pass to Jim who in turn passed it to Ken Crawford who booted it into the Beverly nets and won the victory for the Elks. Outstanding Booters: Jim Stelzer, Kevin Flynn, Ken Crawford, David Ahles and goalie David Keene.

Bisons 2, Georgetown Fireballs 1 Bisons 6, Swampscott Blue Lighting 0

The Bisons played an excellent Georgetown team in a heavy downpour on Thursday evening. Both teams worked hard to control the ball and the game could have gone either way. Andover won a fluky goal headed into Georgetown's nets by one of their defense players from a corner kick by Zack Apgar! Brian McAnally also scored for the Bisons. The Bisons overwhelmed Swampscott on Sunday to win the victory; following the game, the Bisons played their parents with a final score of 2-2.

UNDER 14

Commanches 6, Swampscott Tempos 2

The game was tied 2-2 at the end of the first half; however, the Commanches played much more aggressively in the second half and scored four more goals for the win. Goal getters were Chris Egan, Rick Apgar and Greg Batten.

Mohawks 7, Salem Wild Bunch 1

In an effort to win first place in their particular division, the Mohawks played a very strong game against Salem and dominated throughout. They scored seven goals before the final whistle (Barry Buss, Jeff Parker, Christ Coots and David Bates). Outstanding Booters: entire Mohawks line-up.

Menominees 3, Lynn YSC 1

A penalty goal kick successfully completed by Swampscott was a factor in a very exciting game, as without it, the Mic-Macs would have been the victors. They scored three goals (Steve Carbone and tom Maginnis) and with the penalty kick plus two other goals, Swampscott was able to even it up for a tie game. Outstanding Booters: Yvon Levesque and Steve Carbone.

Heidt Paces Ruthers To Split

By Rick Harrison

The Andover Babe Ruth baseball team, sparked by the outstanding early-season pitching of lefthander Bob Heidt, opened its 24-game Greater-Lawrence League campaign by splitting its first four starts.

Heidt fired back-to-back shutouts for the locals, keying victories over Tower Hill (3-0) and South Lawrence West (5-0) in the first and fourth games.

In the other two contests, fast-starting South Lawrence, East (3-0) used some aggressive baserunning to stun Andover, 7-4, and defending league champ North Andover registered a 4-1 victory in a rain-shortened 4½ inning tilt.

In 14 innings of pitching thus far, Heidt has allowed four hits, no runs, struck out 17 and walked four.

Andover, 3-0

Heidt retired the first six batters he faced, nine of the last 10, and didn't allow a runner beyond second base as Andover whitewashed Tower Hill 3-0 in the seasonal opener at the Playstead Field.

All that stood between the red-hot southpaw and a no-hitter were consecutive two-out infield singles in the fourth by Mark Cockcroft and Tom Driscoll.

Cockcroft pitched will in a losing cause, surrendering seven hits, walking three and whiffing 10.

While Tower Hill was having no success whatsoever with Heidt, Andover chalked up single runs in the first, third and sixth

frames.

Wayne Merola, who has been wreaking havoc on the basepaths for the locals, led off the season by slicing a triple down the rightfield line in the bottom of the first inning.

After Jake Powell walked, Heidt actually won his own game by bouncing an RBI single to rightfield.

Rich Grimm sacrificed the runners to second and third, but Cockcroft averted further trouble by striking out the next two batters.

Merola led the third with a walk, stole second, took third on Powell's bunt, and came across when Heidt lofted a long sacrifice fly to rightfield.

Andover threatened in the fifth when Heidt belted a two-out triple and Grimm walked, but Jon Pelletier lined out to leftfield ending the inning.

The final marker in the sixth came when Steve Rathbun and pinch-hitter Ed Powers stroked successive one-out singles, and then Merola drilled a two-out RBI single to rightfield.

Merola went 2-for-3 and scored twice, while Heidt was 2-for-2.

Fred Foote also contributed a single for Andover.

Shortstop Steve Rathbun, third baseman Jake Powell and Heidt played well defensively.

SLE, 7-4

South Lawrence East capitalized on the

early wildness of starting Andover pitcher Jon Pelletier, jumping to a 4-0 first inning lead, and the locals never quite got all the way back in game two at Mark Devlin Field in Lawrence.

Andover actually out hit SLE by a wide 10-4 margin, but it also left 10 runners stranded on the basepaths.

East sent 10 batters to the plate in the bottom of the first, parlaying four walks, three singles, two wild pitches and three stolen bases into a quick 4-0 lead.

Andover threatened in the second when Ed Powers reached first on a fielder's choice and Fred Foote clouted a long double to centerfield, but Powers was but down at the plate trying to score on the play.

SLE made it 5-0 in the second without benefit of a hit, as Andover reliever Rich Grimm walked three batters and then hit Steve Rourke with a pitch to force home the run.

Andover closed to 5-2 in the third, but also left the bases loaded. Wayne Merola led with a single and promptly stole second. Jon Pelletier later spiked a one-out RBI single and Rich Grimm also singled home a run.

Walks to Steve Rathbun and Fred Foote jammed the bases with two down, but lefty Ron Rennie escaped further damage with a strikeout.

SLE tacked on its sixth run in the third with a walk and two bunts turning the trick.

Andover fought back to 6-4 in the fourth, taking advantage of an error, a walk and singles by Pelletier, Grimm and Rathbun.

SLE registered its final tally in the fifth, when the Andover defense became unglued and committed four errors.

Rennie, meanwhile, settled down over the last three innings and retired the locals without a serious threat.

The SLE southpaw went the distance, weathering the 10 hits, walking five and fanning four.

New Officers At Bancroft

The new officers of the Bancroft PTO were announced recently at the annual Bancroft Parent Teacher Softball Game. They are as follows: Ron Gomes, president; Arlene Jacobs, first vice-president; Pat Kasper, second vice-president; Rita Horton, recording secretary; Jan Brink, corresponding secretary; Tina Girdwood, treasurer; Gay Raftery, room mother chairperson; Debby Lenick and Jeanne Ashworth, membership chairpersons; Chris Pool and Eileen Reilly, bulletin chairpersons; and Jinx Fromme, publicity chairperson.

Andover hurlers Pelletier, Grimm and Foote issued 12 walks in the game, four apiece, but Grimm and Foote also allowed only one hit in five innings.

Joh Pelletier led the offense with 3-for-3 and two runs scored, while Steve Rathbun and Rich Grimm were both 2-for-3 and Wayne Merola 2-for-4.

North Andover, 4-1

This game was played in a constant drizzle at Grogans Field.

The proceedings were halted once in the bottom of the third when it started to rain heavily, and just as the game became official in the middle of the fifth it poured.

Curveballer Tom Atwood did a job on the Andover batters tossing a no-hit game. He did walk five and struck out eight in the five innings he worked.

The locals drew first blood in the top of the third. Wayne Merola walked and stole second base. The catcher's throw sailed into centerfield, and when it also eluded the outfielder Merola raced all the way home.

Steve Rathbun pitched out of a bases-loaded situation in the first inning, and appeared to be getting stronger before the rain delay came.

NA came back after the delay and quickly scored three runs, with singles by Atwood, Greg Serio and Jack Fiorino netting two markers and Rick Camire's sacrifice fly the third.

The victors added a fourth tally in the fourth frame, as Rick Roche clouted a long double and scored on a two-base throwing error.

Defensive standouts for the Andover crew were catcher Wayne Merola and third baseman Ted Kelley.

Andover, 5-0

Bob Heidt was again razor-sharp, striking out 10 and walking just one, and Andover actually put the SLW game away

defeated Beverly Patriots work hard for the victory; the whole team played exceptionally well and the first half remained scoreless. Beverly were able to score four goals in the second half to win the points. Andover's goal scored by Paul Hunt. Outstanding Booters: entire team.

Lions 0, Salem Timbers 0

In a game which resulted in a scoreless tie, great defensive play by Maura Keegan, Mary Oppel, Lisa Aiello, Jenna Powell, Maggie DeLeire and Susan Januz thwarted Salem's many attempts to score. Salem too denied Andover's assaults on their nets.

UNDER 16

Celtics 3, Peabody Road Runners 1

The Celtics were the victors in a game which saw Tim Jensen scoring on an indirect kick with help from Mark Reed, who also scored Andover's other two goals. Outstanding Booter: Mark Reed.

Rangers 3, Danvers, S.C. 0

Coach Bill Stevens' Rangers dominated in the game they played against Danvers and they were the victors with three goals (Jere Kearns, Barry Bloom and Michael Franz).

Tigers 3, Topsfield Kicks 2

Playing a strong Topsfield team who won the victory on their encounter, only ten Tigers demonstrating superb soccer skills would up the victors in a very exciting game. Outstanding Booters: Barbara Duncan, Karen Duncan, Kim Joiner, Lisa Seewald, Sue Aiello, Beth Caswell, Ruthann Tassinari, Mary Jane Foden,

Seanna Beckerman and Carol Reed.

UNDER 19

Golden Ales 4, Salem Stings 2

In a game which could have gone either way, the Golden Ales were the victors when they scored the extra goals. Both teams played exceptionally well and both were weary at the final whistle! Goal getters were Pete Chiklis (two on passes from George Donovan and David Johnson) and George Hamilton on a pass from Pete Chiklis.

Andover United 4, Lynn YSC 1

Andover United won the victory against Lynn, whose goalie played a brilliant game, making numerous saves. Goals scored by David Yates and John Kinsky. Outstanding Booters: Andy Powell, Greg Moss and Danny Merrigan. Andover United have won their division title and start play-off games next week.

Leopards 6, Salem Strikers 0 Leopards 9, Marblehead Rookies 0

The Leopards overwhelmed Salem and Marblehead within one week to win two straight victories. Goals scored by Sue Lindholm, Maureen Sheehey, Sue Jasmin, Kristin Tallman and Judy Sherrerd. Outstanding Booters: Betsy Podgorski, Grace Emmert, Julie Gall, Janice Moody, and Judy Carrick.

Cubs Take Second Half Lead

By Rick Harrison

The Cubs took the early second-half lead in the National League, while the Yankees, first-half champion White Sox and Tigers are all doing well in the American League's second-half title chase to highlight Andover Major Little League action through the past weekend.

National Major

Cubs, 5-4

The Cubs and defending champion Cardinals both entered this contest with identical seven-game winning streaks that carried over from the first half.

The Cards built a 4-0 lead entering the sixth inning, but the Cubs struck for five runs to pull out a stunning 5-4 victory and stretch their victory skein to eight in a row.

Winning pitcher Jon Crawford belted a game-tying RBI double in the sixth, and Jim Wiseman's sacrifice fly chased across the winning run moments later for the Cubs.

Joel Brother chipped in three hits for the victors, while Zack Apgar stroked three safeties and Mark Grams doubled for the Cards.

Braves, 5-4

Mike Twomey lifted his personal pitching record to 5-0, tossing a three-hitter and fanning 10 as the Braves nipped the Dodgers 5-4 in a game where all nine runs were unearned.

Tom LaPorte singled in the third, driving in a run, and that proved to be the only Braves' hit of the game.

Jeff Penner scored the eventual winning run in the bottom of the fifth, walking and later racing home on the back end of a delayed double steal.

Chris Wilson carried the heavy lumber for the Dodgers with a triple and a single.

Mets, 9-6

Steve Dougal lashed two hits, and Scott Lattanzio slammed a two-run double to power the Mets past the Giants, 9-6.

Ralph Dellato was the winning hurler in relief.

Chris Scarpa hammered a two-run double and Kurt Smith ripped a two-bagger for the Giants.

Pirates, 9-0

Mark Lefebvre was a one-man show for the Pirates in their 9-0 romp over the Braves.

Lefebvre fired a four-hitter, and helped himself at the plate with three safeties and three RBI.

Mike Donlon chipped in a two-run double and Jeff Fox spanked two hits for the Pirates.

Steve Zaimes banged out a single for the Braves.

Dodgers, 8-2

Chuck Arrigo stopped the Cardinals with a masterful three-hitter for the Dodgers, sending the losers to their second straight defeat after the seven successive victories.

Arrigo also did a number on the Cards at the plate, drilling three hits including a three-run homer and double.

Mark Patti and Paul Burke added two safeties apiece for the Dodgers, while Mike Surette and Mark Grams doubled for

the Cards.

Mets, 9-5

The Mets captured their second straight, dumping the Pirates 9-5 as winning chucker Steve Dougal spiked three hits, Mike Ross tripled and Ralph Dellato doubled.

Jim Denoncourt and Mark Lefebvre lashed two safeties each for the Pirates, while Jim Marocco hammered a double.

Stats

National League statistician Tom Landry has compiled the following figures on the top batters and pitchers at the two-thirds mark of the 1978 season.

BATTING: Harold Whitworth of the Cubs is tops in extra base hits with seven, while Ken Doherty and Chuck Arrigo have six apiece.

Kurt Smith (Giants) is the homerun leader with two, while Whitworth is tops in doubles with seven and Doherty has six.

Mike Twomey (Braves) and Zack Apgar (Cards) are the only players to lash four hits in the same game, while Twomey and Arrigo have stroked more than one hit in five different games to head that department.

Dave LaPorte, Steve Dougal, John Crawford and Chris Scarpa have stroked more than one hit in four different games.

PITCHING: The best records to date in the NL belong to Mike Twomey (5-0), Mark Grams (5-2), Jon Crawford (3-0), Chris Scarpa (3-1) and Joel Brother (2-0).

Twomey leads in shutouts with two, while John Geiger (Cards) and Crawford boast one apiece.

Yankees, 19-3

Mike Gibson enjoyed a perfect 4-for-4 night, keying a 13-hit attack as the Yankees buried the Indians 19-3.

The Yanks scored in every inning, overcoming a 3-1 second stanza deficit with three runs in the second, two in the third, six in the fourth and seven in the fifth.

Dan Michaud and winner Eric Fitzpatrick worked three innings apiece for the Yanks, combining to pitch a four-hitter and fan five.

Mike Redgate chipped in a double and single for the victors, Mike Klinger lashed a single and double for his first two hits of the season, and Terry Flynn slammed a triple and single.

Mike Klinger also made a fine grab of a long flyball in the outfield.

Gene Sullivan stroked two singles for the Tribe, and Jim Daly was a defensive standout at shortstop.

Yankees, 5-4

The Yanks received another standout pitching performance from lefthander Billy Vickers, who held the Tigers to four hits and fanned nine in a 5-4 triumph over the Bengals.

The victors constructed a 5-1 lead in the third inning before weathering a three-run Tiger rally in the fifth.

Scott Zimmerman also pitched well in a losing cause, allowing six hits and whiffing 11.

Dave Doucette doubled home the eventual game-winning run in the third, while other Yankee two-baggers were hammered by Tom Moon, Terry Flynn and Mike Gibson.

Zimmerman tripled for the Tigers and singles were contributed by Mark Nar-done, Shane Smith and Steve Boush.

Vickers ended the game with a flourish, striking out the final Tiger batter with the tying run perched at second base.

Defensive standouts for the Yanks were first baseman Moon and catcher John Healy.

with three runs in the top of the first at Mount Vernon Park.

Heidt fanned the side in the third and struck out two batters in the first and fifth innings.

SLW threatened the shutout twice, getting runners to first and third in the fourth and sixth, but each time Heidt escaped unscathed.

The only hits off him were a second inning leadoff single by Lou Bosse, and a sixth inning leadoff double by Jim Muldoon.

Wayne Merola, who stole five bases in the game and had eight through the first four contests, led with a walk and promptly swiped second and third.

The next two batters went meekly, but Rich Grimm delivered a clutch two-strike line single to left rescuing Merola.

Jon Pelletier then doubled home Grimm with a shot to the centerfield fence, Steve Rathbun walked, and Fred Foote grounded a two-strike RBI double down the left-field line to make it 3-0.

Andover added a solo run in the second. Ted Kelley singled but was forced at second base by Merola. Wayne stole second, took third on a wild pitch, and was safe at the plate moments later after a hectic play.

Heidt bounced a grounder to first base, and as Jay Lacharite made the unassisted play Merola broke for home. The throw to the plate for the potential doubleplay arrived in time, but the catcher dropped the ball as Merola slid in safely.

The locals threatened again in the third. Rich Grimm walked, Jon Pelletier singled, and both moved up to second and third on a passed ball.

At this point SLW starter Cal Green was relieved by Jim Muldoon, and he pitched out of danger by inducing the next three Andover batters to pop out, ground to shortstop and ground to third.

The final Andover run came in the fourth when Merola reached on a fielder's choice, stole second and third, and trotted home as "rookie" Jeff Demers lashed a two-strike single through the drawn-in West infield.

Jeff Demers finished the game a perfect 2-for-2, Jon Pelletier was 2-for-3, and solo safeties were laced by rookie Jim MacMillan, Fred Foote, Rich Grimm and Ted Kelley.

Kelley was also a vacuum cleaner at third base with three fine fielding plays.

Schedule

Andover was scheduled to face North Lawrence earlier this week, after TOWNSMAN presstime, and tonight the locals have a road game against Prospect Hill.

White Sox, 3-2

The White Sox struck for three runs in the third, then held off the Twins who notched two in the bottom of the sixth.

Winning pitcher Danny Sheehan and reliever Doug Lindquist combined to hurl a five-hitter, while tough-luck loser Brian Barry Tossed a three-hitter at the Sox.

Rod Hollenbeck and Lindquist laced solid singles, Chris Comparato delivered a big RBI, and Dillon Callahan made an excellent catch in the outfield to end the game.

Shortstop Bill Lane and pitcher Barry starred defensively for the Twins, while catcher, Jim Thibodeau lashed an RBI safety.

White Sox, 5-3

The White Sox pulled out another close one, grabbing a 5-0 lead in the third and then surviving a three-run Indians' fourth.

Danny Sheehan and Rick Desmarais pooled talents to pitch a four-hitter, besting the Tribe's Bill Foley who allowed only five hits in a strong effort.

For the Sox, Jeff Crowninshield had a booming double while Charlie Ziegenbein added two hits and two RBI.

Doug Lindquist made a major league defensive play at shortstop in the sixth inning.

Foley clubbed a long double and starred defensively for the Indians, while Jim Daly laced an RBI single.

Yankees, 3-2

Starter Eric Fitzpatrick and winner Billy Vickers combined to fire a four-hitter and whiff 10, boosting the Yanks to a 3-2 triumph over the Orioles.

Mike Redgate's line drive single in the third drove home the deciding run, as the Yanks overcame a 2-1 deficit with a pair of runs in that stanza.

Mike Gibson continued his torrid stroking with 3-for-3, while Damon Dyer chipped in a long double for the victors.

Jason Reeder and John Sheedy did the hurling for the O's, surrendering six hits between them.

Reeder drilled a double and single at the plate, and Sheedy opened the game at shortstop and made several excellent defensive plays.

The crisply-played contest took just 80 minutes, as the Orioles played errorless ball and the Yanks made just one miscue. The Yanks ended the game with a classy 6-3 doubleplay.

Tigers, 6-4

The Tigers, who won their first three starts of the second half to make themselves 8-4 overall, erased a 2-0 first inning deficit with five in the third enroute to a 6-4 conquest of the Red Sox.

Shane Smith, a hard-hitting 10-year-old, slugged a three run triple in the third that proved to be the winning hit.

Scott Zimmerman led the seven-hit Bengal barrage with 3-for-4, including two doubles, while 10-year-old Mark Doherty was 2-for-3 and solo safeties were added by Bill Weidman and Smith.

Starting pitcher Mark Nardone (1-0) registered the victory with late-inning

relief help from Zimmerman, who struck out five of the nine batters he faced to pick up his third save of the year.

Mike Coelho was the losing chucker, allowing seven hits, fanning eight and walking eight.

Tom Powers and Coelho paced the seven-hit Sox' offense with 2-for-4 efforts, including one double apiece, while singles were contributed by Scott Higgins, Pete Guschoy and Rob Charland.

Defensive standouts in the errorless game were Tiger second baseman-shortstop Mark Doherty, shortstop-pitcher Zimmerman and Red Sox second baseman Pete Guschoy.

The Tigers have now been embroiled in seven close games, going 6-1 in those contests. The Bengals are 3-1 in one-run affairs and 3-0 in two-run games.

Tigers, 4-3

Starter Mark Doherty, Winner Bill Weidman (2-1) and Mark Nardone combined for a six-hitter, whiffing five and walking four, as the Tigers nipped the Twins 4-3.

Gives Check

On Tuesday afternoon, Mr. Donald J. Hurley, President of the Committee of the Permanent Charity Fund of Boston, presented the Fund's check for \$25,000 to the Peabody Museum of Salem. The Permanent Charity Fund, the third oldest community foundation in the country, and one of the largest, dedicates itself particularly to programs designed to make "the community more worthwhile in the future." The Annual Report for their 60th year says their attention is concentrated in part "on improving the strength and performance of local private institutions."

In accepting the check for the Peabody Museum of Salem, Mr. Ernest S. Dodge, Director, said "This generous support

will be used towards installing climate control in our museum. Only by preserving the heritage which is housed here can future generations of children continue to understand the rich background of yesterday that formed the world of today." The Peabody Museum collections, which grew out of early artifacts brought to Salem by sea

captains, contain many unique and beautiful objects. The Education Department of the Museum uses these in many varieties of programs for both school children and teachers. In the past 6 months 11,000 children have had special classes and tours in the Museum and the Department has held 24 teacher workshops.

The Permanent Charity

Fund gift of \$25,000 follows a gift of \$15,000 from the Mabel Louise Riley Charitable Trust. This \$40,000 total puts the Museum within \$20,000 of the amount needed to convert to a variable air volume system they plan to install. This system is expected to save \$15,000 a year on energy costs alone.

FOR \$6645* YOU CAN BUY A CHEAP CAR. OR AN EXPENSIVE ONE.

It's no longer true that you get what you pay for. At least, it isn't true among the 1978 models. That's because—for about the same money—you can become the disappointed owner of a cheaply made car or the satisfied owner of one that's well made. Luckily, the cheap ones can give themselves away to anybody who bothers to look closely. Doors, hood and trunk lid don't fit properly. The paint job is dribbled in some places, spotty in others (especially on top of the hood). The trunk is a wasteland of raw, unfinished surfaces. Rattles are constant companions. Volvos, on the other hand, are known for being solidly built and painstakingly finished. And Volvo owners confirm it. In a recent independent national survey, a significantly higher percentage of owners of new Volvos rated their cars "excellent" in terms of overall quality of workmanship than did the owners of all 57 American makes surveyed!

The amazing thing is that, for the price of many of the cheap cars, you can own an expensively built, well-equipped Volvo...the 1978 Volvo 242 in a dealer's showroom near you.

Why settle for less when the price is no more?

VOLVO

*Suggested retail price \$20,100 for the Volvo 242; local taxes, dealer preparation, delivery charges and "Lambada Sound" emission control system additional. *Survey of owners of new cars bought in May, 1977.

SAAB
Free air conditioner.

When a cool deal proves to be a hot deal, you stay with it.
We're extending our offer of free air conditioning to June 30.

Our May offer of free air conditioning was so overwhelming, we're extending it another 30 days. From now until June 30th, you'll get free air conditioning—with free installation—with the purchase of a new 1978 Saab EMS, 3 or 5-door GL and GLE.

Of course, a free air conditioner is a deal. But the important thing isn't the air conditioner—it's the car. And Saab is a performance car that's famous with car experts.

Consider the features that are standard on Saab: front wheel drive, rack and pinion steering, 4-wheel power-assisted disc brakes, fuel-injected overhead cam engine. And that's just for starters!

But our offer has a time limit. Come in now and test a 1978 Saab at participating dealers. Then decide. It's a cool, intelligent way to buy a new car.

SAAB IS THE COMMAND PERFORMANCE CAR.

Carpet Styling & Treasures — Olde Andover Village

"Personalized Service" in
carpeting for your home or
place of business is the byword
of Carpet Styling & Treasures,
93 Main Street, Andover. Their
"Treasures" are a selected
group of antique pieces,
restored and ready to be en-
joyed.

Carpet Styling & Treasures is
a new business in Andover,
located through the archway in
Olde Andover Village. Tony, the
owner, has had 33 years in
carpet retailing. He was
formerly associated with Paine
Furniture and John H. Pray and
had his own shop in Stoneham.
Tony has served the carpeting
needs of many of the top sports
figures, Hollywood stars and
state political figures, fur-
nishing carpeting for homes in

Wellesley, Lynnfield and sur-
rounding towns. He is well
qualified to assist and advise
you on your carpeting — any
size, any color, any shape.

Karastan and Custom Weave
of California, the two finest
broadlooms available in this
country today, are featured at
Carpet Styling & Treasures.
However, Tony can supply any
major brand name carpet and
prices are very competitive.
Free estimates at no obligation
and he guarantees all carpeting
and installation work.

Whether you want a room-
size rug, wall-to-wall, a custom
size carpet, a specially woven
rug, or scatters, Carpet Styling
& Treasures is the place to
shop. The newest fibre in
carpeting is Antron III. It's a

soil-hiding fibre, non-static,
with great recovery, cleans ex-
ceptionally well.

Selected antiques, only un-
usual pieces not normally found
in shops are a second phase of
this new shop. Tony knows an-
tiques, having been born into
the business. His dad is an ex-
pert antique restorer with over
60 years experience. One of
these accent pieces could be the
focal point of your room! If you
don't see what you want, ask as
he just might have it.

Get acquainted with Carpet
Styling & Treasures soon, 93
Main Street, Andover. Master

SMOKE ALARMS

Every one's talking about something that's sweeping the country and being featured in newspapers, magazines, and on radio and television. To look at one, a person might wonder what the excitement is all about, because it's rather small and unobtrusive. But fire protection and public safety officials are hoping every dwelling will have one or more installed.

It's called a smoke alarm, and it offers a measure of protection out of all proportion to its low cost, efficiency, and ease of installation. Considered the best form of fire warning for a family, a smoke alarm "discovers" a fire in its earliest stages. Smoke will be evident from a fire much sooner than heat, and will trigger the

alarm waking sleeping occupants.

Two types of alarms are available. One is called the ionization detector and the other the photoelectric detector. Information on which to use and where to install them can be obtained from fire protection groups, fire departments, and consumer organizations. So join the rest of the country in a massive effort to reduce injuries and fatalities from fires. Install smoke detectors in YOUR home!

If there is anything we can do to help you in the field of real estate, please phone or drop in at **THE HOWE AGENCY, 4 Pynchard Ave., Andover. Phone: 475-5100.** We're here to help.

Vintage Autos At Bazaar

A vintage collection of antique and classic cars with an opportunity to win \$1000 in prizes and courtesy gifts from the merchants will take place at the Andover Sidewalk Bazaar days.

This event is in cooperation with the Colonial Chapter of the Veteran Motor Cars of America. The show will take place on Saturday, June 24 from approximately 10:30 a.m. through 5 p.m. in the Common on Bartlet Street. Although Main Street will be closed to traffic the Antique cars will parade to the Andover Inn where they

will be presented with a box lunch, compliments of the Inn, they will then proceed down Main Street. This will offer shoppers an opportunity to view all of the models in the event. Approximately 75 vintage automobiles are expected.

Visitors to the auto show may obtain information on how to vote on their opinion of the best model. Drawing for the prizes will take place throughout the day. Andover Savings Bank will be presenting the Grand Prize of the "Peoples' Choice" with a \$200 Savings bond and the Malden Cooperative Bank will be presenting the second prize of the "Chamber of Commerce Choice" with a Savings bond of \$100. Radio Station WCCM will be broadcasting live from their new mobile unit throughout the day.

All this will take place while shoppers will be enjoying the values offered by the merchants at this Annual Sidewalk Bazaar Sale.

Considering Counsel For Labor Issues

School Committeeman Casimir Kolaski reported Tuesday night that he had narrowed the search for special counsel for negotiations and labor issues to the firm used by the town for such activities: Holtz, Drackmah of Boston.

Kolaski was to meet with representatives of the firm yesterday, and then will introduce them to the committee at an upcoming meeting.

Kolaski said the firm has done a substantial amount of work in school areas, and has bargained with the kinds of units the Andover committee deals with.

He said the Town's experience with the firm has been positive, and that using the same firm might allow coordination of labor issues that involve the Selectmen as well.

Support Higher Drinking Age

The Andover School Committee decided Tuesday night to send a letter to the State Legislature in support of a higher drinking age.

Their action came as the result of a request from Methuen's Superintendent to support a bill which would raise the drinking age from 18 to 19 or older.

Chairman David R. Ahouse said he felt raising the age to 19 would make it more difficult for high schoolers 17 and 18 to get liquor, and he volunteered to draft the letter.

Supt. Kenneth R. Seifert said he had already en-

couraged State Rep. the bill to increase the Gerald Cohen to support minimum age.
